

# Creating Your MyCoast Account

Please take out your smart phone

# Apple iPhone QR Code

- 1. Open the Camera App**
  - From your Home screen, tap the **Camera** app.
- 2. Point the Camera at the QR Code**
  - Make sure the QR code is clearly visible on your screen.
  - Hold your phone steady and center the QR code in the frame.
- 3. Wait for the Notification**
  - A notification will appear at the top of your screen (usually a link).
- 4. Tap the Notification**
  - This will open the link or content embedded in the QR code in Safari or the appropriate app.

# Android QR Code

- 1. Open the Camera App**
  - From your Home screen or app drawer, tap the **Camera** app.
- 2. Point the Camera at the QR Code**
  - Make sure the QR code is well-lit and fully visible in the camera view.
- 3. Wait for the Prompt or Link to Appear**
  - A pop-up or link will appear on the screen (usually at the bottom or top).
- 4. Tap the Link**
  - It will open in your web browser or the relevant app.

# Download MyCoast App

- Click “Download”
- Once app has downloaded, click “Open”

**Note:** This will also add MyCoast to your Home Screen so you can access it later.

# Create a MyCoast Account

- Click “Sign Up” to create a MyCoast account

The screenshot shows the MyCoast mobile app interface. At the top, there are logos for the app and the text "MyCoast". Below this, it displays "High tide in 6 hours" for "NEW LONDON" with a moon phase icon for "Waning gibbous" and a "Change station" button. The current time is "3:04 PM" and the tide is "2.7 ft". A legend indicates "Observed" (red line) and "Predicted water level" (blue line). A line graph shows the tide level from 6 AM to 9 PM, with a yellow dot marking the current time. Below the graph are two buttons: "Remind me!" and "Daily". At the bottom, there are two location cards: "South Kingstown" with a "CoastSnap" photo and "Charlestown" with a "King Tide" photo. At the very bottom of the screen, there are two orange buttons: "Log in" and "Sign up". A large red arrow points from the text "Click 'Sign Up' to create a MyCoast account" to the "Sign up" button.

# Create a MyCoast Account

- Fill out the requested information
  - Name
  - Email
  - Password
- Select Home State: **Connecticut**
- Click Register

**Note:** Regardless of your “Home State” you can submit a MyCoast report in any state that has a MyCoast license

The image shows a mobile registration form for MyCoast. The form includes fields for Full name (Jonathan Husky), Email (jonathan.husky@uconn.edu), Password (masked with dots), and Password again (masked with dots). The Home State dropdown menu is highlighted with a yellow oval and shows 'Connecticut' selected. A red arrow points from the 'Connecticut' text in the instructions to the 'Register' button at the bottom of the form.

Register
