

Dive Deep into the Long Island Sound

**LONG ISLAND SOUND
PARTNERSHIP**

Join LIS Mentor teachers Elizabeth Brown and Curt Hayes from Charles H. Barrows STEM Academy for a professional learning session at Meigs Point at Hammonasset Beach State Park. This session is facilitated by Connecticut Sea Grant funding from the EPA Long Island Sound Study.

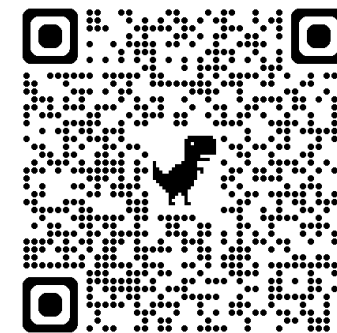

Tuesday, September 16th
from 9:00a.m to 3:00p.m

At A Glance:

We will explore contrasting environments to investigate adaptations, energy transfer, and the gathering of evidence to support a scientific argument. All activities are incorporating CT NGSS standards. Materials and resources will be provided.

Registration:

- Scan this QR code to access google form to sign up
- Registration fee is \$20
- Venmo Elizabeth-Brown-194
- Dress for field work and the weather
- Bring water and a packed lunch

Bonus!! The first 10 sign-ups will enter a draw for special materials including a seine net. Everybody will be going home with materials for a field trip: field guides, dip nets, 5 gallon buckets and more
